Chief Executive Officer Invitation for Expression of Interest

Rashtriya Raksha University - Atal Innovation Center Gandhinagar, Gujarat, INDIA

Are you a promising R&D leader to contribute to the emerging technologies and training for national security and police needs of India through an Institution of National Importance of India?

Rashtriya Raksha University (www.rru.ac.in), an Institution of National Importance, established by the Parliament of India, in the field of national security and police is inviting expression of interest to head the Atal Innovation Center as its Chief Executive Officer.

RRU emerges as the **Center of Excellence in the field of National Security and Defense Management and Global Leader in the field of Internal Security, Correctional Administration and Police** education, research and training.

RRU - Atal Innovation Center, established by the NITI AAYOG, will cater to the innovation needs, interests and concerns of the national security organisations, armed forces, central armed police forces, central police organisations and state police organisations through the academic-industry-government platform. All aspects of innovation, startup and incubation will be dealt by the Center and also serve as nodal point for the institutions and universities catering the research, development including emerging technologies in the field of national security and police. AIC is expected to have dedicated team of 10-15 experts and specialists and a cadre of bright young minds from variety of fields pertaining to national security and police.

CEO will lead the Center in collaboration with 10 Schools of the Rashtriya Raksha University and its campuses within and outside India and relevant industry, R&D institutions, including small and medium size enterprises, association of chambers of commerce (e.g. FICCI, ASSOCHAM and similar entities at state level). Besides, the center and team will closely work with Security And Scientific Technical Research Association (SASTRA), Section 8 Company, of the University.

CEO will

- Develop, plan, implement, monitor and report programs and projects under the RRU-AIC and strive to fulfil the immediate, short-medium term needs of the key stakeholders;
- Sustain security-defense industry-academic-government collaboration to meet the research, development, training projects.
- Identify best practices from national security startups, institutions within and outside India and adapt to the needs of India;
- Appoint and guide team of experts, specialists, incubators, startups, identify and work with Indian institutions, such as IITs, IIMs, NITs, NIDs and similar foreign institutions;

Eligibility:

- PhD (preferable) / Master degree in the field of science, engineering and technology related to or allied with exposure in the field of national security and defense management;
- 7-10 years of relevant experience in innovation, startup, incubation in relevant fields;
- Age-group 35-40 years;
- Passionate Indian origin (OIC/NRI including) persons having global outlook, commitment to excel and contribute to the research, development and training needs of national security and police of India through RRU are strongly encouraged to apply.

Duration: Initial contract of three years and subject to the effectiveness of the fulfilment of the goals of the Center and the performance, the contract will be renewed.

Remuneration: 1.25 to 1.50 lakh INR or equivalent per month; subsidized accommodation in the RRU campus; vehicle for official purposes and other benefits to provide conducive environment to lead the mission successfully. The remuneration may be negotiated based upon the expertise, experience and proven results in current or previous organisations.

Interested candidates may send application with detailed CV and a mission plan including anticipated tangible plan, results and impact within 3 years to vcoffice@rru.ac.in by 30 November 2023 (specify subject – RRU-AIC CEO). Candidate is expected to join as soon as possible but latest by 1 January 2024. Female individuals are strongly encouraged to apply.
